## OUR TEAM

Turn 3 Motorsport is a full service operation specializing in racecar preparation, engineering, and driver development. Founded and managed by racecar driver and coach Peter Dempsey, T3M is focused on professional service, team member growth, and high level performance across multiple racing series.

## OUR PROGRAM

Our professional team members are equipped with a wealth of knowledge covering all different aspects of and types of motorsports. Our program includes dedicated engineers, crew members, and driving instructors who each bring unmatched experience, passion, and commitment to our organization. In addition to our on-track team, we can also connect our clients to industry specific athletic coaches as well as state of the art racing simulators and equipment for off-track training.

Radical Cup 1340cc class, 1500cc class, overall, and team championship winners

## CHAMPIONSHIPS

The USF Pro Championships Presented by Continental Tire (formerly Road to Indy) is a scholarship-funded racing program comprised of three development series - **USF Juniors**, **USF2000**, and **USF Pro 2000** - that competes as supporting events at INDYCAR, USAC, and NASCAR race weekends.

The driver development program provides a direct path to reach the NTT IndyCar Series and Indianapolis 500 with prize money valued at over \$1.4 million. Since its induction, 20+ graduates of the Road to Indy have secured NTT IndyCar Series rides.

In 2025, the USF Pro 2000 Champion was awarded an INDYNXT scholarship valued at **\$594,500 USD**.
